CENTRAL INTELLIGENCE AGENCY

Office of External Affairs

12 May 1983

Director, OTE
936 Chamber of Commerce

Attached information was submitted by [redacted] in response to a notice regarding Agency needs for consultants and research contractors issued by the Office of Sponsored Research at the University of Illinois. Most of the resultant submissions have been of primary interest to the offices in the Intelligence Directorate. [redacted] however, appears more likely to be of interest to you than to anyone else.

I plan to respond to [redacted] so would appreciate your comments on his qualifications and/or your needs. In most responses, I have written that we have no requirement for the individual's expertise at this time but would like to keep his papers in our files in case of future need.

Thanks.
